MASTER ELITE
ROOFING
CONTRACTOR**

“ Thanks to Affordable Rain Flow, I do not have any more leaks to worry about. You came right away and tarped my roof where it was leaking and then re-roofed my house that week, in the rain. This impressed me. Thank you to your crew.

Sean - Kelowna

“ Thank you Mike, the roof looks fantastic. I thank you for following through, I know this was a hard project but well worth it.

*Chris and Laurie
- West Kelowna*

“ Totally blown away with this warranty. Love my new roof!
Don - Penticton

Great white winters, stormy evenings and stray hockey balls on warm nights when the neighbours come over. Those are just a few of the things your home may need to withstand.

AFFORDABLE RAIN FLOW

ROOFING & SIDING

- Engineered in Canada to perform in Canada and abroad
- Made with premium quality Axalta Coating System® Paints
- Subjected to outdoor testing in a variety of Canadian climates
- It's no wonder that builders and homeowners have trusted CanExel® prefinished siding to improve their homes for over 40 years
- When you see us on a home, you can tell it's LP® CanExel®
